way, picking himself up a dozen yards off, ready for the next ride.

This time it will be in an automobile. dusk, Col Roosevelt will not know just cover that instead of the distinguished him he is riding about the great hall cfl. on a spiral speedway with six wax fig-ures of beautiful women accompanying The crowd cheers and then the accidents begin as though the scoot wagon had been frightened. One by one the colonel's beautiful companions are tossed mysteriously from the automoblie, the last one leaving just before the explosion which wrecks the machine and leaves the strenuous one sitting on a great pile of hay with thousands cheering him for the bravery he has

shown in staying by the boat. It's funnier than doing the things at Coney Island and Col. Roosevelt's sea He will be pushed from the craft by a sidewalks and a handsome bandstand pirate and a great shark will grab him. have been erected. This intiation is punctuated with many other surprises; all candidates are treated alike and the initiation of El Paso. closes with compelling the novice to sit quietly through a performance of "Hallev's comet." a comic opera of no mean standing, staged by a company of 100

and of the organization into which he has just been initiated. All these "im- JUDGE FALL ENDORSED pressions" are recorded and in this way Nebraska has a book full of good things which have been said about the Den state and the kings of Ak-sar-ben by everyone from W J. Bryan to James J.

ROUGH RIDERS IN DENVER SHORTLY

Many Are Riding Their Horses There-Parade For Roosevelt.

Denver, Colo., Aug. 22.-Rough Riders from Oklahoma, Texas, New Mexico, Arisona and Wyoming, as well as all sections of Colorado, will shout a welcome to their former chief, Col. Roosevelt when he arrives here from Cheyenne next Monday.

Some of them are riding from their homes and have started already, but a of Fall as a candidate was accepted by large number are taking advantage of the conventions without a murmur of the arrangements of Gen. Sherman Bell in connection with the national encampment of Spanish War Veterans, then to be in session, by which any man sending his horse for use in the parade to held in Col. Roosevelt's honor, will he paid his shipping expenses.

STREET CARS ARE

(Continued From Page One.) street cars on frequent occasions. He

expressed an opinion that more cars should be provided, and that when a car was full a sign, "Take next car." should be displayed.

Alderman Hewist coincided with Blumenthal, in that he thought the situation ought to be remedied, and perhaps more care provided, but that he PRIZE FIGHT PICTURES believed crowding of the cars, following the breaking up of any large gathering.

At home again better prepared than ever to satisfy my old and new customers. The reliable contractor,

W. W. Greek

stated that he had what he considered remedy. It was that the street car company be allowed to collect only a cents from those who were compelled to stand up-in other words pay for the service. This idea, he stated, had worked admirably in other cities, as the street car companies had provided seats in order to get the additional revenue,

Kelly Oils the Waters.

Mayor Kelly, as mayor, then express-ed his first official opinion, which was to the efect that he thought the best plan would be to have a talk with H. S. Potter, manager of the street rall-way company, and see if he would not agree to remedy the situation, which, said, would steadily become worse Taking his place in the machine at unless provision was made for better-If Potter refused, then other who his traveling companions are until measures could be taken, he stated. he reaches the light. He will then disway," said the mayor. His suggestion men who volunteered to accompany met with the ready assent of the coun-
